**5 Wrestler Round Robin Format-** Each athlete will wrestle all competitors in their bracket. We will do our best to ensure that each bracket will have 5 competitors. This cannot be guaranteed at higher and lower weights due to the number of wrestlers registered and/or the failure of registered athletes to attend after securing a spot in a bracket.

**Honor Weigh-In-** We will use the honor weigh-in system for age and weights. Please record your actual weight on the registration form and have your coach initial the weight. Random weight checks will be performed at the discretion of the Tournament Director. Birth Certificates are required for age challenges. Both wrestlers will be verified should a challenge be made for weight and/or age.

**Madison Bracketing-** The Madison Style of Bracketing will be used to divide wrestlers into age and weight groups. Some brackets may contain four or six wrestlers depending on the number of athletes in the weight category. Every attempt will be made to keep the brackets to the closest weight grouping possible. Some brackets may be modified to separate wrestlers from the same school in order to keep team wrestling to a minimum.
