CAMP NOTES

Campers can follow the technique and take it home with them after camp is over.

INDIVIDUAL REPORT CARD

Each wrestler gets a report card that details strengths and weaknesses with a *personalized improvement plan*.

CAMP PHILOSOPHY

Wrestling is an individual sport. There are basic moves and skills that all wrestlers must master. Beyond that a coach and wrestler's responsibility is to find their strengths and weaknesses and develop a system around them. Once the basics are mastered a wrestler should develop advanced moves that accomplish his style.

The HOWELL SYSTEM has a unique philosophy. We want each wrestler to find his strength and develop that base. We also want our wrestler to finish camp with a framework for improvement. We work with each wrestler to choose his strength and develop his style. It is our goal that each wrestler at our camp becomes successful. Therefore, we give all wrestlers the tools to continue to develop beyond the week of camp.
